About This Brochure

CHOOSING WORKWEAR, MADE SIMPLE

This brochure has been carefully curated to make choosing the right workwear effortless. Every brand inside is selected for outstanding quality, comfort and value — suiting businesses of every size and budget.

OUR THREE RANGES

STANDARD RANGE

Dependable, hard-wearing everyday workwear from Uneek and Pro RTX — excellent quality at exceptional value.

MID-RANGE

A considered step up in quality and styling from Kustom Kit and Asquith & Fox, for a smarter, more polished appearance.

PREMIUM RANGE

Luxury workwear from Stanley/Stella and Tee Jays — exceptional comfort, contemporary styling and superior fabrics that make a lasting impression.

Alongside our core collection you'll also find hi-vis clothing, jackets, outerwear and accessories — everything needed to build a complete branded uniform.

With hundreds of workwear brands on the market, we've kept this brochure deliberately concise — showcasing only the most respected names in the industry. Each is chosen for quality, reliability, stock availability and suitability for embroidery and print, so you can be confident in garments that look professional, perform beautifully and stand the test of time.

Looking for something different?

Our experienced team has access to a far wider range of brands and products, and would be delighted to source the perfect solution for your business.
